

To whom it may concern:

my name is Brenda Frey.

I would please like you to
grant petition 98P-0151/CPI
which will prohibit the
slaughter of downed animals.

I do not know why there
is not a law in every
state to stop this practice.
These animals are very sick
and end up on peoples plate.
Why shouldn't the people
who own these animals have
to take very good care of
them so they don't become
down animals.

Thank you for taking
the time to read this
letter.

Sincerely,

Brenda
